NAME.....ENTRY NO.....

Your answers must be brief and to the point. Answer on this sheet in the space provided. No extra paper will be given.

This is open book exam. You are expected to follow an honour code ensuring that the answers reflect your own personal efforts.

Q1

10 marks

You are given a consultancy for designing a flat for use as a creche for children between the ages of 6 months and 6 years. The flat is on the ground floor, has one room for looking after children from 7:00 am to 5:00 pm, one bathroom and one kitchen. Use all the knowledge you have gained in this course and make a list of ten most important design issues/suggestions with reasons.
